## Certification Confirmation Letter

In reference to application ID: **APPL2013891**

We hereby issue the Lenzing Certification for:

Company	Jacaranda Carpets
---------	-------------------

Product Specification according to the Application:

Product name	KHERI
Composition	LENZING™ Lyocell (Standard) 100%
Product type	Carpet
Fabric construction	Woven
Fabric weight	3300 g/m <sup>2</sup>

We have assessed the application according to our procedures, as well as a sample in case requested separately, according to the Certification Standards and the Lenzing Certification Terms. The assessment results are not in conflict with the specifications according to the application, so we hereby issue the Certificate with the following Certificate Number:

**120000116501**

**The Certificate is valid until 2022-Dec-12** and might only be used in accordance with the Lenzing Certification Terms and only in connection with a product meeting the specifications above.

Any Product License obtained in the Lenzing E-Branding Services will require a valid Certificate Number, so you might share the Certificate Number with your valid customers enabling them to apply for Brands like TENCEL™, LENZING™ ECOVERO™, REFIBRA™, LENZING™ for Protective Wear and LENZING™ for Work Wear for all end use products containing a certified component.

The following fiber type will be used to determine the applicable Brand / Branded Offer and technology when applying for a Product License:

LENZING™ Lyocell (Standard)

**Please note:**

All tests are carried out according to Lenzing's internal certification procedures and in accordance with the Certification Standards and Lenzing Certification Terms. So the test results cannot be considered as a:

- confirmation for material composition,
- quality certificate,
- confirmation to comply with any kind of certification standard applicable for the product,
- confirmation that the product meets the required performance of the end use product or the desired application,
- or confirmation that the product meets any kind of standards requested by customers or other third parties.

Lenzing might at any time request additional samples of the product. The Certificate will be immediately withdrawn if the product is not meeting the specifications above or is not in compliance with Lenzing Certification Terms and Certification Standards.

Best regards  
Lenzing Aktiengesellschaft
